VOLUNTEER EXPERIENCE

CANADIAN CHIROPRACTIC ASSOCIATION – President and Chair

2010-2012

- Leading the board of directors of the national association in determining policy, forming professional alliances, representing the profession to the federal government and working with the provincial associations and answering to all members of the profession in Canada.
- The skillset included public speaking, board management, dispute resolution at all levels, advocacy and inter-professional cooperation.
- The management, more often the role of Chair, included staff management, budgetary oversight and fundraising.
- Research promotion was a very prominent activity and included close work with major universities across the country.
- The introduction to tribunal work arose from my work with the professional association and I found this new aspect of involvement very rewarding, leading to my continuing desire to serve on Tribunals, in particular in ways that allow me to use my background expertise.

ONTARIO CHIROPRACTIC ASSOCIATION – Board Member

1998-2008

- At the time, the OCA was a hands-on board, and all board members were rotated to various committees including insurance work, including much work with FSCO, WSIB, other professions and the Ministry of Health in the provincial government.
- Research was strongly supported and thus fundraising and forging alliances for research were important aspects of my work.

CENTRAL UNITED CHURCH AND ST. ANDREW'S PRESBYTERIAN CHURCH
